

Photo Restoration and Retouching Price List

Every retouching or restoration project is unique. However, to give an idea of our prices, here is a general price list for our services.

The prices do not include shipping and handling.

It does include scanning your print (8 x 10 or smaller), negative, or slide as well as a 5x7 or 8x10 print of your photo. (Sorry, but we are not able to go any larger than that).

Restoration refers to damaged photos such as those that have scratches, cracks, tears, missing pieces or those that might be faded to a certain extent.

Retouching refers to minor scratches, blemishes and slight fading or discolouring.
